

## Project Outcomes Chart

Use the chart below to list what First 5 Nevada County Strategic Plan Goal, Objective, and Strategy your project addresses. For each Strategy you choose, complete a chart describing the Activity(ies), Tool(s) and Indicators(s) of your project. This grid may be copied as needed.

<b>GOAL</b>	<b>Objective</b>	<b>Strategy</b>	<b>Activity</b>	<b>Tool</b>	<b>Indicator</b>
A long-term desired change. (SELECT FROM FIRST 5 STRATEGIC PLAN)	A description of a desired change that is short term, measurable, and supports the goal. (SELECT FROM FIRST 5 STRATEGIC PLAN)	What is the program, service or project you intend to deliver?	What are the specific components of your project that will provide you with outcomes? What are you going to measure? (You may have more than one activity per strategy).	How will you measure the progress towards for each outcome?	What useful and measurable outcomes will eventually be the result of each activity? SELECT FROM FIRST 5 EVALUATION PLAN
